A Very Special Invite...

• Seoul Sanctum, South Korea - 4~11 November, 2025 •

Seoul is much more, *far* more than the global obsession with its k-drama, k-pop, and k-beauty. With a captivating interplay of the old and the new, it is the embodiment of dichotomy. It is at once historic and futuristic, natural and technological, humble and extravagant.

While this most stylish metropolis in Asia is indeed vast, we have lovingly curated an 8-day program that offers an insider's glimpse into its complex and fascinating culture. Ancient palaces, buzzy markets, sublime shops, stunning cafes, and hidden bars as well as alluring galleries and museums are all within easy reach from your luxurious and serene accommodations. And of course, you are treated to exquisite tastings of Korea's expansive culinary traditions and innovations.

Most meals are included as are private arrival transfers and a uniquely Korean spa pampering for every guest. Excursions to visit Seoul's sites to experience firsthand the intriguing contrasts between its heritage spanning thousands of years and future forward modernity are also part of this offering.

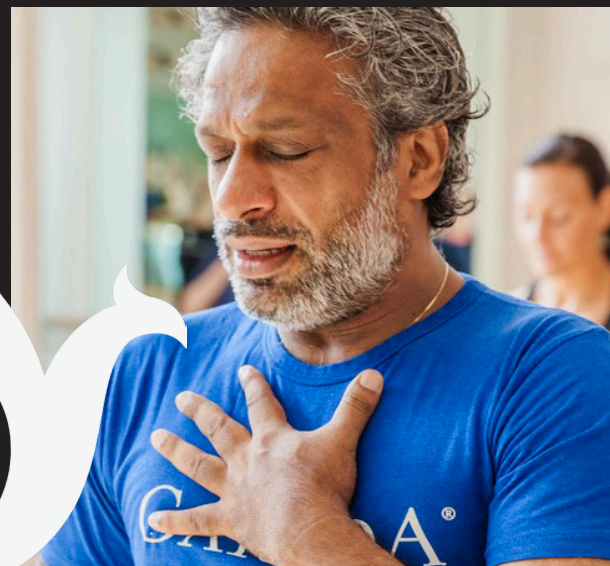

The days have been carefully crafted with free hours available to explore your personal wish-lists in addition to an open evening for your private dinner outing at a restaurant of your own choosing. The selection is endless and entirely, yours.

The one & only James D'Silva also joins us to guide daily sessions with special access to the nearby Garuda Studio for a truly unforgettable and fulfilling journey. This is one extraordinary MuLux ReTreat that you absolutely do not want to miss!

Seoul Sanctum is exclusively by invitation only, and participation is extremely limited.

To accept your special invite and secure your room or suite, please contact us for details and available options. Please kindly note that reservations shall be confirmed on first come first served basis and upon receipt of a non-refundable deposit. Bookings for this event close firmly at the end of March.
